

## Student Poster Competition 2023

### AWARDS

First Place:	First Place Certificate and a <b>\$200.00</b> team cash award
Second Place:	Second Place Certificate and a <b>\$75.00</b> team cash award
Third Place:	Third Place Certificate and a <b>\$50.00</b> team cash award

### ELIGIBILITY

1. Applicants must be current members of the NYSSRS, Inc. in good standing (Radiologic Technology or Nuclear Medicine students).
2. **Proof of NYSSRS membership must be submitted with the signed submission form.**
3. Applicant must be enrolled in an accredited radiography or radiation therapy program.

### ENTRY FEE

There will **not be any entry fee** to enter the Student Poster Competition.

### THEME

The theme for this year's poster competition is **"Medical Imaging of Pediatric Diseases and Disorders"**. Posters will be on display during the NYSSRS conference in November 2nd - 4th, 2023. The winner will be announced prior to the end of the conference. You can either make the poster board or purchase a three-sided board (available at any craft or office supply stores). Your poster must describe the role of medical imaging in diagnosing diseases and disorders of pediatric patients that you are highlighting and must hold the interest of the viewer. The title and headings should be neat and large enough to read at a distance of 3 feet. Creativity is encouraged.

***May include: This is a suggestion list; all items are not required. Be creative with your topic!***

- ❖ Use of various imaging technologies and equipment relating to your topic
- ❖ Including CT, MRI and other modalities
- ❖ Signs, symptoms and etiology of disease or disorder
- ❖ Role of the technologist in pediatric imaging, such as immobilization techniques

### ***Judgment Criteria:***

- ❖ Topic Range and Relevance
- ❖ Organization and Mechanics (logic, grammar, clarity, neatness)
- ❖ Aesthetic look
- ❖ Value & Interest
- ❖ Creativity

*The NYSSRS reserves the right to disqualify posters due to inappropriate wording and pictures.*
