Second Place:	Second Place Certificate and a \$75.00 team cash award
Third Place:	Third Place Certificate and a \$50.00 team cash award

ELIGIBILITY

1. Applicants must be current members of the NYSSRS, Inc. in good standing (Radiologic Technology or Nuclear Medicine students).
2. **Proof of NYSSRS membership must be submitted with the signed submission form.**
3. Applicant must be enrolled in an accredited radiography or radiation therapy program.

ENTRY FEE

There will **not be any entry fee** to enter the Student Poster Competition.

THEME

The theme for this year's poster competition is **"Emerging Technologies in Medical Imaging"**. Posters will be on display during the NYSSRS conference in September 22 - 24, 2022. The winner will be announced prior to the end of the conference. You can either make the poster board or purchase a three-sided board (available at any craft or office supply stores). Your poster must tell about technology you are highlighting and hold the interest of the viewer. The title and headings should be neat and large enough to read at a distance of 3 feet. Creativity is encouraged.

May include: This is a suggestion list; all items are not required. Be creative with your topic!

- ❖ Definitions of various imaging technologies and equipment
- ❖ Including CT, MRI and other modalities
- ❖ How equipment manufacturers are making improvements in imaging equipment
- ❖ Choose a particular modality or manufacturer and display the latest features and emerging technology features
- ❖ Discuss details of the technologist's role in the research process, using the equipment, and any relevant changes to the role of the technologist in executing studies

Judgment Criteria:

- ❖ Topic Range and Relevance
- ❖ Organization and Mechanics (logic, grammar, clarity, neatness)
- ❖ Aesthetic look
- ❖ Value & Interest
- ❖ Creativity

The NYSSRS reserves the right to disqualify posters due to inappropriate wording and pictures.
